### Product description

**1 Product Model, 2 Installation Types**
The special advantage of IF models: Installation as flush with the adjacent areas as well as laid flat on top is possible.

**Flush-mounted installation: Recommendation for the choice of worktop:**
We recommend installation in worktops made of ceramic, granite, artificial stone (e.g. Corian or Varicor) or solid wood. We do not recommend installation in coated chipboard.

### Accessory

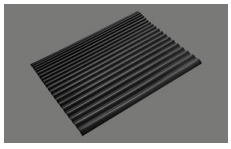

Optional accessories
