Descrizione del prodotto

1 versione di prodotto, 2 metodi di montaggio
I modelli IF presentano un grande vantaggio: possono essere posati sia a filo top che soprapiano.

Montaggio a filo top: Consiglio per la scelta del piano di lavoro
Consigliamo il montaggio nei piani di lavoro in ceramica, granito, pietra artificiale (per es. Corian o Varicor) oppure in legno massiccio. Sconsigliamo la posa in pannelli di truciolato rivestiti.
